EXCERPT FROM JOURNAL
OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 16 May 1972

3. (Internal Use Only - LLM) Called Bill White, Legislative Reference Service, Office of Management and Budget, to get a reading on the prospects for Senate passage of legislation controlling Federal advisory committees (which could apply to PFIAB, NSC, USIB, etc.). Initially White felt that a new Executive order being submitted to the President would satisfy congressional critics but later advised me that the Metcalf bill (S. 3529) would most likely pass the Senate and that the conference committee should not have too much trouble in ironing out the differences between the Senate and House bill (H. R. 4383). The Administration is opposing both bills.
